Welcome

to the

Presbytery of Genesee Valley's

New Website!

We are very excited with the new fresh look, how easy it is to navigate, and the ability to change and update "in-house"!

Here are a few features we are proud to share:

- *An easy to find calendar with event registration linked to it!*
- *Direct links to all church websites!*
- *The capacity to set up multiple blogs by topic or groups to keep our conversations going!*
- *News and Updates on ministries & grants!*
- *Employment Opportunities!*
- *The new* **"Bulletin Board"** *feature to display various flyers for upcoming PGV, Church and Community Events, as well as Professional Development Events!*

Take some time to peruse the new locations of your favorite documents.

Enjoy!!
