

**PRESBYTERY OF GENESEE VALLEY
COMMITTEE ON MINISTRY**

Compensation for Appointed Moderators and Pulpit Supply

Churches are required to pay appointed Moderators \$50 per session and congregation meeting. Ordinarily, moderators will be members of the Presbytery of Genesee Valley and approved by COM. Under special circumstances, the Committee on Ministry may request that the amount be higher. This policy will affect all appointed Moderator relationships in effect on January 1, 1999, and thereafter.

When Pulpit Supply is arranged, churches are required to pay a minimum of \$125 honorarium per service.

In addition to the Appointed Moderator's Fee, and the Pulpit Supply Fee, churches are expected to reimburse those who serve in the aforementioned capacities for their round trip mileage.

- A voucher designed to meet the needs of the local church should be made available to the Appointed Moderator or Pulpit Supply Preacher at the time of service to be paid out after the fact and sent per arrangement.
- Mileage should be at the current IRS maximum.
- This obligation on the part of the church may be departed from only at the discretion of the person serving as moderator or person serving as pulpit supply.
