

American Red Cross

New York-Penn
Blood Services Region

Volunteers Needed!

DRIVERS

Volunteer drivers provide a critical service as they transport blood from area blood drives, deliver lifesaving blood products to hospitals, and make shuttle runs between centers in the New York-Penn Blood Services Region. American Red Cross vehicles are provided, however, reimbursement is available if a personal vehicle is used. Time commitment and schedule are flexible based on driver's availability and interest. Drivers who live within 30 minutes of West Henrietta and are willing to be "on call" for urgent deliveries are especially needed!

OTHER

Other volunteer opportunities are also available, including Donor Ambassadors (blood drive volunteers) and Warehouse Assistants.
