

April 12, 2017

Dear Pastor:

For many years the Rochester Presbyterian Home has benefitted from the “Homes Offering” appeal to our local Presbyterian churches. This Offering is traditionally scheduled for Mother’s Day, May 14th, and provides an opportunity for congregations to support ministries to the elderly whom we represent.

This year’s Homes Offering will support three communities – RPH’s Homestead location at 256 Thurston Road, Cottage Grove in North Chili and Creekstone in Fairport. If your church chooses to participate, please communicate with your Clerk of Session regarding your needs for remittance envelopes and information for your church bulletin.

Last year the Homes Offering raised nearly \$7,000.00 which provided valuable support to resident programming and staff education not covered by other budgets. In 2017 Rochester Presbyterian Home will use the Homes Offering to continue our quest to redefine elder care and to create environments that foster meaningful living and person-centered care, where each of our residents is truly “at-home.”

To join this year’s appeal:

- ✧ Communicate with your Clerk of Session re: your church’s need for remittance envelopes and copy for your church bulletin.
- ✧ Please e-mail jean.graupman@rph.org with your needs by Friday, Apr. 28 for delivery by May 12.
- ✧ Thank you for returning your Homes Offering donations directly to:
