Dear Presbytery of the Genesee Valley,

Thank you for your Community Grant of \$2000.00 to REACH Advocacy. Our organization is a voluntary group representing many communities of faith in the Rochester region as well as other concerned citizens. Our goal is to provide a safe and supportive environment for the chronically homeless in the Rochester area as we work towards a Housing First philosophy of permanent homes for the chronically homeless. Your donation is helping to make our work happen. No goods or services were provided.

Sincerely,

Sarah M. Peters
REACH Advocacy Secretary
