### Did you know?

The South Church Ministries are Vital these five years since the decision the Congregation made to sell their building. South Presbyterian, an Acts Of Faith Community has become a National Resource for modeling and educational leadership Community-rooted Missional Church. Recently the Session Of South Presbyterian discerned the move to establish “Firebird Spirit, Inc.”, its non-profit corporation for assisting Congregations across the United States who are in the process of developing an Acts Of Faith Approach to revitalization. South has recently received more than twelve new members, in addition to its many community participants in its ministries.

### Pray for Our Friends at South Presbyterian:

The Presbyterian Ministry at South has flourished beyond its initial vision of renewal. The Community at South PC continues to grow and take new risks for ministry development. They ask for prayers for continued nurturing and building up the Church in embodying the ministry through the Acts Of Faith model.

Prayers are requested for the on-going Acts Of Faith: Class Act, Back2Center, Food for Thought, Presbyterian 101 in Charlotte, and its music, book study, pub theology and other acts of faith. As South celebrates the June ordination of its future associate pastor, Laura Bachman’s, your prayers are welcome.

In the coming weeks, South Presbyterian will carry out a Ground-breaking series of consultations across the Nation as Firebird Spirit begins the work of building a permanent endowment for its ministry here in Rochester, New York and elsewhere.

Prayers for continued local support, solidarity, and encouragement for this prophetic Missional ministry, which has played an important role in the development of the national Vital Congregations Initiative Of The Presbyterian Church (USA). The Processes Of relationship building, responding to new ministry needs and connection with community residents where they live are on-going. Our prayers are with the South Church Communities.
