

PRAYER PROFILE

North Bergen Presbyterian Church
7068 North Bergen Rd.
North Bergen, NY 14416
Pastor: David Fish
Clerk of Session: Audrey Benda
Organist: Mary Hurchison

The sign out front said "GET YA SOME PIZZA"! Oh my, what great tasting pizza, baked in the brick oven built several years ago with help of a Congregational Development Grant from the PGV. Pizza on a few Friday nights during the summer is a time for church friends and community friends as well as Presbytery friends to come together for fun, laughter and talk.

Pizza is not the only item on the minds of Commissioned Pastor David Fish and the congregation. They are about to embark on a new venture with Foodlink of Rochester. By the end of July there will be a Community Food Pantry at North Bergen PC. A storage room has been cleared, shelves are being moved in as well as a refrigerator and - a recently answered prayer - a freezer. Folks are excited about this and while I was there, a car drove in with its back seat full of items for the pantry.

Do not underestimate this little church in northern Genesee County; the membership and those who can attend worship may be on the small side but they do not lack for enthusiasm and heart. Worship is joyous, the music sung by Diane was beautiful, prayers for their friends and neighbors is sincere and Pastor David preaches an inspiring sermon. What is there not to like about the North Bergen PC?

Pastor David, who has been the pastor for 3 years, asked that we pray for their Food Pantry and for the many aging members with health issues, many of which are very serious and are preventing folks to fully participate in the life of the church as they would like.
