

Perinton Presbyterian Church, known locally as the “white church on the hill,” started life in the Masonic temple in the village of Fairport. It was chartered by Presbytery in 1983 with 96 members. Today there is a lively congregation of just under 500 members, a thriving and active youth group, and a bunch of little ones who enliven the children’s time during Sunday worship.

**Did you know** that Perinton Presbyterian Church is currently searching for a new full-time pastor? We look forward to the time when we can get to know the person whom God is calling to our church.

**Did you know** our youth group bikes all the way to Niagara Falls and back every summer?

**Did you know** we sponsored two mission trips this winter – one for our teens to Philadelphia and one for our adults to Houston, Texas? Or that our sewers and knitters just delivered over 200 baby blankets and newborn hats to local ministries?

**Did you know** our building is 100% handicapped accessible? We are privileged to be able to be inclusive of those with mobility challenges.

Finally, **did you know** there’s a trail through the grass on the hill behind the church? There’s a big wooden cross at the top along with a couple of benches, and from there one has a view over Perinton!

Our current prayer concerns are for God's guidance for our Pastor Nominating Committee (PNC); traveling mercies for teens and adults who will be participating in our summer youth bike trip to Niagara Falls; our Discipleship committee as they begin planning for a fall adult retreat; and our Outreach committee's work with community leaders and Stop the Stigma as they prepare a fall program for our community aimed at prevention of teen suicide.
