URL: <http://www.chili-presbyterian.org>

Pastor : Rev. Brandi Wooten

Office Administrator: Sandy McCauley

Minister of Music: Adam Scoville

SUNDAY WORSHIP SERVICE: 10:00AM!

Did you know? Located on a gently sloping hill, overlooking historic NY-State Route 33A, Chili First Presbyterian Church has been a reference point for neighbors and travelers for over 200 years. The charming structure with the always lighted steeple is a “delight to see” particularly during those snowy, cold winter nights of Western New York. More importantly, this Church and its dynamic Congregation have remained steadfast Beacons for personal and collective Spiritual guidance, worshipful Celebrations and committed participation in the life and vibrancy to the Community they are dedicated to Serve. Grounded in God’s word through studying, preaching, and serving, this Congregation has thrived in the changing dynamics of our time, engaging in Ministries and projects that that involve all stages of life and faith. The long list of Youth Ministries extends from Nursery Care to early-learning activities and Junior and Senior High Youth Mission and Community service. Visitors attending Sunday Worship Services are treated to blended mix of Music and Celebrations, including drama, video, and participatory contemporary music. Through the Session and its Pastoral leadership, this Congregation has actively led and engaged other regional Churches in the development and implementation of Neighborhood Ministries. In planning stages is the start of a Community Neighborhood Garden to be enjoyed and harvested by all interested in the feeding and care of those in need.

Prayers for our Friends at Chili First Presbyterian Church: Please join the Presbytery of Genesee Valley as we pray for the continuing Grace and Blessings of our Lord God to provide for the Faith, Spiritual Growth and dedicated presence of Chili First Presbyterian Church. Indeed, a vital and healthy Congregation witnessing the teachings of Jesus Christ in our time.
