Building on a strong heritage, the community at a Third seeks to provide progressive leadership on religious, social, and moral issues. Third Church, a More Light congregation, is committed to the full participation of all persons in its Congregational life, without regard to sexual orientation, personal background, or human condition. The Congregation maintains a mission partnership with the Kihumo Church, near Nairobi, Kenya, Presbytery Of East Africa. The Pastoral Leaders were co-founders of the Roc SALT Center Engaged in community ministry and Christian education, based in the historic buildings of the former Calvary-St. Andrews Presbyterian Church in the South Wedge Neighborhood Of Rochester, New York.

### **Pray for Our Friends at Third Presbyterian:**

After 25 years of service to the Third Church community, the Congregation has said its fond Farwell and blessings to Rev. Dr. John Wilkinson, as he moves to his next call. Rev. Lynette Sparks, Associate Pastor, is the new Acting Head Of Staff, while a search is prepared for an Interim Pastor. The first requests for prayer are for Rev. Wilkinson, in gratitude for his service to Third, and to the Presbytery Of Genessee Valley, as his ministry begins in a new Presbytery and particular ministry. As Rev. Sparks leads the staff as Acting Head, Prayers for her continuing, and growing Ministries in the Third Presbyterian Community.

Please hold the Congregation at Third in your prayers as they engage the search for an Interim Pastor, carry out the ministry of the Pastoral Nominating Committee (PNC). The breadth of ministries at Third will be encouraged and supported by our prayers and good hopes.

We rejoice with Third Presbyterian Church on the new, and continuing paths of Welcome, which God is doing, through their ministries.
