Victor Presbyterian Church has a long and proud history. The church building was constructed in 1832. The original structure was a 40 by 50 foot sanctuary with a gallery and a spire. The pulpit was above the pews at the north end of the sanctuary, which is the back of the sanctuary today. In 1860 an addition was put on the back of the sanctuary, moving the pulpit to the south end where it is today, and the present steeple was built, making room for a 1700 pound bell, which was used by the community as a fire alarm and a call to meetings. The Mission activity of the

community has also grown significantly, and now features a free community supper three (3) times a month, an international partnership with an orphanage in Uganda, urban-suburban programs with Maggie's Kids and a Book and Blanket program with RCSD elementary school, and deep support for the local Food Cupboard, which has grown its ability to address local hunger needs by nearly 400% in this time. Our exciting newest commitment is to being a founding congregation in support of bringing Family Promise (Homeless Sheltering) to Ontario County.

There are so many exciting spiritual growth opportunities at FPVC. The Congregation just finished a year long Bible study that had over 100 participants joining together. They continue to move into the 21st century with a new AV system and screen. This church is taking on exploring what it means to be a Vital Congregation in the near future. They are very excited to join the other churches in our Presbytery to see what a vital Congregation can do in the community. The ecumenical community supper should be held up in prayer, this is a great example of Gods power to show all people they can participate in mission wherever they are on their faith walk. We cannot ever overlook the powerful ministry of their leader Rev. Colin Pritchard. May we all hold him in prayer as he continues to show the light of Christ in the Eastern Suburbs.

Please join the Presbytery of Genesee Valley as we pray for the continuing Grace and Blessings of our Lord God to provide for the Faith, Spiritual Growth and dedicated presence of First Presbyterian Church in Victor. Indeed, a vital and healthy Congregation witnessing the teachings of Jesus Christ in our time.
