

Retired Clergy & CPs Luncheon Begins Again

Retired Clergy and guests gathered for lunch on Thursday, October 27 at Gates Presbyterian thanks to the Presbytery's commitment to revitalize this longstanding tradition that had been on hiatus for the past two years—and the planning and hospitality of the Relationships Working Group.

There were thoughtful discussions, time to catch up with each other, plenty of food, and welcome fellowship.

Many colleagues were missed but there can always be more opportunities in the future.
